Dear Parent/Guardian,

We would like to invite you to enroll your child in the Seaford High School Wellness Center. We offer an array of health services addressing physical health, mental health, education, and nutritional services for students in grades 9-12 at Seaford High School. The Wellness Center operates as a partnership between the Seaford School District, the Delaware Division of Public Health, and TidalHealth.

All students who enroll in the Wellness Center are eligible to receive services regardless of their insurance status. Students who do not have health insurance can still be treated and are provided with resources to attempt to obtain insurance. **Students who already have health insurance need to provide a copy of their insurance card annually in order to attempt to bill for services rendered.** No co-pay or payment will ever be collected from you or your child. There will be no cost to you if your insurance denies payment.

Please review and complete the attached forms in their entirety. Unless otherwise stated on the consent form, your child may receive any of the services listed. Please indicate if you do not want your child to receive specific services from the Wellness Center by checking the service(s) you do not want them to receive. Forms can be dropped off to the main office, faxed to 302-629-0886, mailed to the Wellness Center at 399 North Market St., Seaford, DE 19973, or completed online and then scanned or emailed to robin.hayes@tidalhealth.org.

Please contact the Wellness Center anytime with any questions or concerns at 302-628-2180.

Sincerely,

Tina Torres, MSN, APRN, FNP-BC
Nurse Practitioner/Wellness Center Coordinator

PLEASE COMPLETE OTHER SIDE
*as available from pharmacy
By my signature below I agree, as the parent or legal guardian of the student named above, that he/she may receive services at the School-Based Wellness Center (the “Wellness Center”) other than those specifically declined.

Pregnancy testing is considered a confidential service according to state law, and is designated “confidential” on the other side of this form. I understand that if I consent to my son/daughter receiving this service at the Wellness Center that:

- I do not have the right to information about confidential services provided to my son/daughter, unless my son/daughter gives permission to the Wellness Center to share that information with me.

It is the Wellness Center’s philosophy that parents/guardians should be involved in their child's care. Therefore, the Wellness Center strongly encourages communication and involvement among students, parents, and medical providers. I have the right to know about medical care my son/daughter receives for all services that are not considered confidential according to law. I am acknowledging that a copy of the Notice of Privacy Practices is available to myself or my student from the Wellness Center upon request.

School-Based Wellness Centers are funded through state funds and reimbursement from insurance for those students who have insurance. If my son/daughter has insurance I will provide this information to the Wellness Center. I understand that the Wellness Center may bill my insurance for covered services, however the Wellness Center will not charge co-pays or out-of-pocket fees to students for services rendered. I understand that my son/daughter can receive services at the Wellness Center regardless of ability to pay.

The Division of Public Health (DPH) retains administrative authority for School-Based Wellness Centers. Designated Wellness Team members are obligated by law to disclose specific patient information to DPH for the purpose of preventing or controlling disease, injury, surveillance, or disability in Delaware and in the US. Information that will be reported includes: sexually transmitted disease, laboratory data, births, deaths, adverse medication reactions, child abuse or neglect, and domestic violence. Students enrolled in School-Based Wellness Centers may be asked to complete the Delaware School Based Health Center Periodic Questionnaire annually to identify health concerns. Other general information may be sent to DPH for statistical tracking, but this information will be de-identified during analysis, which means my son's/daughter's name will be removed. Information about services may be shared with my health insurance company for purposes of quality improvement.

I understand that this consent can be revoked in writing at any time, except to the extent that action has been taken in reliance on this consent. Any requests for revocation must be in writing and sent to the Wellness Center.

My son/daughter and I have read this form carefully and I understand that if I have any questions, I may call the Wellness Center Coordinator for more information before I sign this authorization.
