## Financial Assistance / Uncompensated Care

---

### Policy:

In accordance with state and federal guidelines, TidalHealth will provide emergency and medically necessary free and/or reduced-cost care to patients who lack health care coverage or whose health care coverage does not pay the full cost of their medical bill. A patient's payment shall not exceed the amount generally billed (AGB). All hospital regulated services (which includes emergency and medically necessary care) at TidalHealth Peninsula Regional will be charged consistently as established by the Health Services Cost Review Commission (HSCRC) which equates to the amounts generally billed (AGB) method. All patients seen by a TidalHealth Provider or in an unregulated area at TidalHealth Peninsula Regional or all services at TidalHealth Nanticoke Hospital will be charged the fee schedule plus the standard mark-up which is the AGB for TidalHealth. Self-pay patients, for all services not regulated by the HSCRC, will receive a discount to reduce charges to the amount TidalHealth would be reimbursed by Medicare which is the prospective method. For self-pay patients, the amount billed will not exceed the Medicare fee schedule for all unregulated services.

TidalHealth may use outsource vendors to provide patient collection and/or pre-collection services. Vendors act in accordance with TidalHealth policies and wherever policy notates employee, financial services department, or other such wording – vendor and/or vendor employees are included without such notation.

- c. **Immediate Family**: Anyone for whom the patient claims a personal exemption in a federal or State tax return. To determine if your physician's services are covered by the TidalHealth financial assistance program, please see the roster of providers that deliver emergency and other medically necessary care, indicating which providers are covered under the policy and which are not. The list of providers is updated quarterly and available on the TidalHealth website. If you prefer, you may contact any financial counselor or patient accounting representative by calling (410) 912-4974, or in person at TidalHealth Peninsula Regional or TidalHealth Nanticoke.

## **Procedure:**

If a patient is unable to pay due to financial resources, all efforts will be made to help the patient obtain assistance through appropriate agencies. In the event that the patient has applied for and kept all necessary appointments and third party assistance is not available, TidalHealth will provide care at reduced or zero cost. When no third party assistance is available to cover the total bill and the patient indicates that they have insufficient funds, Financial Assistance (FA) will be offered. The Uniform Financial Assistance application, Financial Assistance Policy, Patient Collection Practice Policy, and plain language summary, can be obtained by one of the following ways:

- a. Available free of charge and upon request by calling (410) 543-7436 or (877) 729-7762.

For Delaware, the hospital population considered was 5%.
- g. For patients who have difficulty in filling out an application, the information can be taken orally by calling (410) 912-6957 or in person at the Financial Counselor's Office located in the Frank B. Hanna Outpatient Center.

Signs will be posted in various locations throughout TidalHealth to inform patients where to call or apply for Financial Assistance.

- a. If the application is received within 240 days of the first post-discharge billing statement, and the account is with a collection agency, the agency will be notified to suspend all Extraordinary Collection Actions (ECA) until the application and all appeal rights have been processed.
- b. If the application is incomplete, all ECA efforts will remain on hold for a reasonable amount of time and assistance will be provided to the patient in order to get the application completed. If there is not a phone contact to call, a written notice that describes the additional information and/or documentation required will be mailed which includes a phone contact to call for assistance.
- c. Preliminary eligibility will be made within 2 business days based upon receipt of sufficient information to determine probable eligibility. A letter will be mailed to patients notifying them of their eligibility status. Following preliminary approval, patients must submit a completed application and any supporting documentation requested (if not done previously).

TidalHealth Patient Financial Services determines final approval for Financial Assistance. Upon final approval, a financial assistance discount will be applied to the patient's responsibility.

- d. Patients who are beneficiaries/recipients of certain means-tested social services programs are deemed to have presumptive eligibility at 100% and are FA eligible without the completion of an application or submission of supporting documentation. It is the responsibility of the patient to notify TidalHealth that they are in a means-tested program. This information may also be obtained from an outsourced vendor or other means available to TidalHealth. Programs included are patients that:
  - Live in a household with children enrolled in the free and reduced-cost meal program.
  - Receive benefits through the federal Supplemental Nutrition Assistance Program.
  - Receive benefits through the State's Energy Assistance Program.

The amount due from a patient on these accounts may be written off to FA with verification of Medicaid eligibility. Standard documentation requirements are waived.
- f. TidalHealth may automatically approve Financial Assistance for accounts ready to be sent to a collection agency that are identified as Poverty based on the propensity to pay score.
- g. If the application is ineligible, normal dunning processes will resume, which includes notifying the agency if applicable to proceed with ECA efforts. A copy of TidalHealth's Collections Policy may be obtained by calling (410) 543-7436 or (877) 729-7762 and is available on the website listed above.
- h. The patient may request reconsideration by submitting a letter to the Senior Executive Director of Revenue Cycle at 100 East Carroll Street, Salisbury, Maryland 21801-5493 indicating the reason for the request.
- i. Only income and family size will be considered in approving applications for FA unless one of the following three scenarios occurs:

- The amount requested is greater than \$50,000
  - The tax return shows a significant amount of interest income, or the patient states they have been living off of their savings accounts
  - Documentation indicates significant wealth
- j. If one of the above three scenarios are applicable, liquid assets may be considered including:
- Checking and savings accounts
  - Stocks and bonds
  - CD's
  - Money market or any other financial accounts for the past three months
  - Last year's tax return
  - A credit report may also be reviewed

The following assets are excluded:

- Up to \$150,000 in a primary residence
- Certain retirement benefits such as a 401-K where the IRS has granted preferential tax treatment as a retirement account including but not limited to deferred-compensation plans qualified under the Internal Revenue Code, or nonqualified deferred-compensation plans where the patient potentially could be required to pay taxes and/or penalties by cashing in the benefit.
- One motor vehicle used for the transportation needs of the patient or any family member of the patient.
- Any resources excluded in determining financial eligibility under the Medical Assistance program under the Social Security Act.
- Prepaid higher education funds in a Maryland or Delaware 529 Program account.

If the balance due is sufficient to warrant it and the assets are suitable, a lien may be placed on the assets for the amount of the bill. Collection efforts will consist of placement of the lien which will result in payment to TidalHealth upon sale or transfer of the asset. Refer to the TidalHealth Collection policy on filing liens.

- k. If TidalHealth has reason to believe the information is unreliable or incorrect, or obtained under duress, or through the use of coercive practices, FA may be denied.
- l. We do not request or provide waivers, written or oral, expressing patient does not wish to apply for assistance.
- m. In accordance with state and federal guidelines, staff training records regarding this policy are maintained by the TidalHealth Training Coordinator.

#### Collection Coordinator

- a. If eligible, and under \$2,500, the account will be written off to FA when the "Request for Financial Assistance" form is finalized. A copy is retained in the patient's electronic file. If eligible, and the balance is \$2,500 or above, the Collection Coordinator will obtain the appropriate adjustment signature(s).

- b. TidalHealth will review only those accounts where the patient or guarantor inquire about FA, based on mailing in an application, or in the normal working of the account there is indication that the patient may be eligible. Any patient/customer service representative, financial counselor, or collection representative may begin the application process.
- c. Once a request has been approved, service eight months before the approval and twelve months after the approval may be included in the adjustment. All encounters included with the application must reference the original encounter number where the electronic image of the application is stored. Service dates outside this twenty month window may be included if approved by a Supervisor, Manager, or Director. Any amount exceeding \$5 that has already been collected from the patient or guarantor for approved dates of service shall be refunded to the patient if the determination is made within two years of the date of care.
- d. TidalHealth will communicate with the patient using the method preferred by the patient including electronic communications, telephone or mail.

### **Financial Assistance Policy**

It is the intention of TidalHealth to make available to all patients the highest quality of medical care possible within the resources available. If a patient is unable to pay due to financial resources, all efforts will be made to help the patient obtain assistance through appropriate agencies, or, if no help is available, to render care at a reduced or zero cost for emergency and medically necessary care.

Patients requiring elective services may, through consultation with their physician, have their procedure postponed until such time as the patient is able to make full payment or meet the established deposit. Elective procedure patients who, according to their diagnosis and/or their physician, cannot have their procedure postponed will be helped with obtaining assistance from agencies. If no assistance is available, and the patient requests, the account will be reviewed for possible financial assistance.

TidalHealth physician charges are not included in the hospital bill and are billed separately, with the exception of self-pay balances. Self-pay balances for TidalHealth services will appear on the same statement. Physician charges outside of TidalHealth are not included in the hospital bill and will be billed separately. Physician charges outside of TidalHealth are not covered by TidalHealth's financial assistance policy. A list of providers that deliver emergency and other medically necessary care at TidalHealth is provided on the website at [www.tidalhealth.org/find-a-doctor](http://www.tidalhealth.org/find-a-doctor).

In the event that the patient has applied for and kept all necessary appointments and third party assistance is not available, the patient may be eligible for financial assistance.
